Certified Registered Nurse Anesthetist

Current Opportunities

Mayo Clinic is Hiring CRNAs!

Due to growth, we have several immediate openings at our Arizona location.

The CRNA team at Mayo Clinic Arizona has grown exponentially in recent years and is now an expansive practice of more than 50 practitioners. The large volume of cases, integrated with ongoing research and education, results in a wide-ranging expertise in the anesthetic management of patients. Mayo Clinic uses the Anesthesia Care Team Model where CRNAs work collaboratively with anesthesiologists to provide the best possible care. As a member of the Mayo Clinic team, there is the opportunity to take part in some of the most advanced procedures, including Heart, Lung, Liver, Pancreas and Kidney transplants, Robotic surgeries in GYN, Urology, General, ENT, Orthopedic, Thoracic, and soon to add Cardiac. There is also an extensive Spine and Neurosurgery program as well as new hybrid Cardiothoracic, Vascular and Neurosurgery operating rooms. In addition, CRNAs provide anesthesia services for the Surgery Center, Endoscopy Suite and Proton Beam Center, where a specialized team manages pediatric care.

Mayo Clinic is ranked number one hospital in the nation for 2020 by *U.S. News and World Report*. We are also ranked the number one hospital in Arizona. Our multi-disciplinary group practice focuses on providing high quality, compassionate medical care. We are the largest integrated, not-for-profit medical group practice in the world with over 60,000 employees working in a unique environment that brings together the best in patient care, ground-breaking research and innovative medical education. We offer a highly competitive compensation package, which includes exceptional benefits.
